Date: 13th–17th October 2026

Venue: State Training Centre, Rewalsar, Himachal Pradesh

The Tritiya Sopan Camp for Scouts and Guides of private schools was organised at the State Training Centre, Rewalsar, from 13th to 17th October 2026. The Rovers and Rangers Unit of Government College Hamirpur actively contributed to the event by deputing two Rangers as members of the service team.

Both Rangers performed their assigned duties with dedication and responsibility, assisting the organising team in the smooth conduct of the five-day camp. They extended their support in various arrangements and provided necessary assistance to the participating Scouts and Guides.

Being part of the service team provided the Rangers with valuable experience in leadership, teamwork, event management and organisational skills. It also gave them an opportunity to interact with young Scouts and Guides and understand the importance of service and cooperation.

Their active participation reflected the spirit of discipline, responsibility and service, which are the core values of The Bharat Scouts and Guides.
