Event: Yuva Aapda Mitra Scheme (YAMS) Training Programme

Organized by: District Disaster Management Authority (DDMA), Hamirpur in collaboration with Himachal Pradesh State Disaster Management Authority (HPSDMA) 🌐

Venue: NSCBM Govt. College Hamirpur, Himachal Pradesh 📍

Dates: 24 December – 31 December 2025 📅

Introduction 📖 ✨

The **Yuva Aapda Mitra Scheme (YAMS)** training programme was organized at **Netaji Subhash Chander Bose Memorial (NSCBM) Government College Hamirpur** under the guidance of the **District Disaster Management Authority (DDMA), Hamirpur**.

The programme aimed to train young volunteers in **disaster preparedness, response, and community safety** so that they can assist authorities during emergencies and natural disasters. The training also focused on developing responsible youth who can support society in times of crisis.

A total of **24 participants from the Rover and Ranger Unit of NSCBM Govt. College Hamirpur** actively participated in the training programme. 🌟

Objectives of the Training Programme 🎯

- 🔔 To create awareness about **disaster management and emergency preparedness**
- 🔔 To train youth volunteers in **search and rescue techniques**
- 🔔 To provide knowledge about **first aid and emergency response**
- 🔔 To develop **leadership, teamwork, and crisis management skills** among youth
- 🔔 To prepare volunteers to support communities during disasters

Details of Activities Conducted 🌀

During the training programme, participants were engaged in several educational and practical activities related to disaster management:

🧑‍🚒 Disaster Management Awareness Sessions

Experts conducted sessions explaining different types of disasters and methods of disaster preparedness.

Search and Rescue Training

Participants were trained in basic rescue techniques and methods to assist people during emergency situations.

First Aid Training

Practical demonstrations were conducted on providing immediate medical assistance during accidents and disasters.

Emergency Response Drills

Participants practiced response techniques to handle emergency situations effectively.

Team Building Activities

Various group activities were conducted to improve **coordination, leadership, and teamwork** among participants.

Participation

A total of **24 Rovers and Rangers** from the **Rover and Ranger Unit of NSCBM Govt. College Hamirpur** participated in the training programme and actively took part in all the sessions and practical activities.

Outcomes of the Training

The training programme resulted in several positive outcomes:

-  Increased awareness about **disaster preparedness and safety**
 -  Development of **basic rescue and first aid skills**
 -  Improvement in **leadership and teamwork abilities**
 -  Better understanding of the role of youth in **community disaster management**
-

Conclusion

The **Yuva Aapda Mitra Scheme (YAMS) Training Programme** was a valuable learning experience for the Rover and Ranger participants of **NSCBM Govt. College Hamirpur**. The training helped them gain practical knowledge and skills required to respond effectively during disasters and emergencies.

Such programmes play an important role in preparing youth volunteers to become responsible citizens who can contribute towards **building safer and disaster-resilient communities**.
