Date: 17th–22nd September 2026

Venue: State Training Centre, Rewalsar, Himachal Pradesh

The State-Level Rajya Puraskar Testing Camp for Scouts and Guides was organised at the State Training Centre, Rewalsar, from 17th to 22nd September 2026. The Rovers and Rangers Unit of Government College Hamirpur actively contributed to the event by deputing one Rover and one Ranger as members of the service team.

Both participants performed their assigned duties with dedication and responsibility, assisting in the smooth organisation and management of the camp. They supported the arrangements and extended their cooperation to the organising team throughout the six-day event.

Being part of the service team provided them with valuable experience in event management, teamwork, leadership and organisational skills. It also offered an opportunity to interact with Scouts and Guides from different parts of Himachal Pradesh.

Their participation reflected the spirit of service, discipline and commitment towards the ideals of The Bharat Scouts and Guides.
